## Notes from our Director of Academics

Greetings WrPA Families and Guardians,

Just a reminder, we have sent our report cards. If your scholar did not bring them home, please call the school. We will also be sending home bi-weekly progress reports of how your scholar is doing academically, if you do not receive one, please reach out to the school and we will send one home.

We have some upcoming assessments beginning in February for grades 2-8. Please keep reading and practicing math with your scholars daily. This doesn't necessarily mean the homework your scholar brings home. This could be done in the form of a chapter book you read together, a trip to the library, going to museums, or science centers.
