## TEACHER SPOTLIGHT

### Ms. Jefferson

This year, Wright Prep has been fortunate to welcome Ms. Jefferson to our family. She has already made an incredible impact on both our students and staff. Her first year at Wright Prep may be her introduction to our school but her positive and upbeat attitude has quickly become a cornerstone of our community. Not only does she bring out the best in her students but her attitude also uplifts the entire staff. She truly embodies the spirit of collaboration and positivity, making everyone feel supported and appreciated. Her early kindergarten class is a favorite among the students and it is easy to see why. Kashtyn, one of her students shared "She makes my day better." a sentiment that reflects the warmth and care Ms. Jefferson brings to her classroom each day. She understands the importance of building relationships with her students, offering them the support they need to thrive both academically and personally.

Ms. Jefferson is committed to challenging her students, despite being in EK, many of her students are already mastering kindergarten level material, thanks to her dedication and high expectations. She strikes the perfect balance of nurturing growth while holding her students to a high standard, ensuring they are not only prepared for the next grade level but excited for it as well.

Your paragraph text

Every day Ms. Jefferson walks into the classroom with a smile, ready and eager to try new things. Her passion for teaching is evident in everything she does and we are incredibly grateful to have her as part of the Wright Prep family.
